forno / horno / four / oven

# CARPI

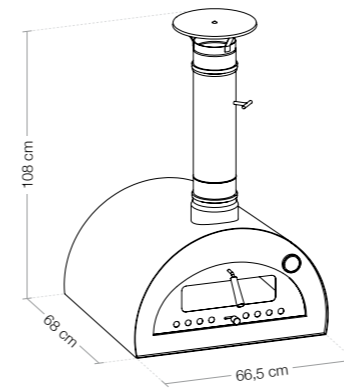

Carpi é um forno a lenha portátil, em aço inox e tijolo refratário, que atinge altas temperaturas num curto espaço de tempo. O seu baixo peso, 59kg, e facilidade de transporte permitem cozinhar ao ar livre com família e amigos, pizzas, pão, vegetais, carne, peixe e outros, preservando o sabor dos alimentos tradicionalmente cozinhados a lenha.

Carpi es un horno a leña portátil, de acero inoxidable y ladrillo refractario, que alcanza altas temperaturas en un corto espacio de tiempo. Su bajo peso, 59 kg, y facilidad de transporte permiten cocinar al aire libre con la familia y amigos, pizzas, pan, verduras, carne, pescado y otros, preservando el sabor de los alimentos tradicionalmente cocinados a leña.

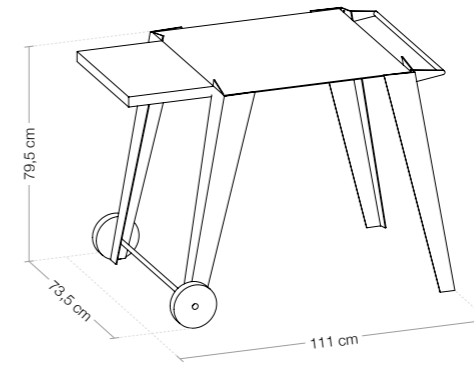

Carpi est un four à bois portable, en acier inoxydable et de brique réfractaire, qui atteint des températures élevées dans un court laps de temps. Son faible poids, 59 kg, et la facilité de transport permettent cuisiner en plein air avec la famille et les amis, pizzas, pain, légumes, viande, poisson et autres, préservant la saveur des aliments traditionnellement cuits à bois.

Carpi is a portable wood-fired oven, stainless steel and refractory brick that reach high temperatures in a short space of time. Its low weight, 59 kg, and ease of transport allow you to cook outdoors with family and friends, pizzas, bread, vegetables, meat, fish and others, preserving the traditional food taste cooked with firewood.
